- ❖ Cyprus Vascular Society
- ❖ Cyprus Society of Vascular and Endovascular Surgery

Invitation

Dear Friends,

It is with great pleasure that I welcome you to the annual 26th Congress of the Mediterranean League of Angiology and Vascular Surgery to be held in Agia Napa, Cyprus. I am sure this Congress will be a successful one, and will give the opportunity for scientific dialogue and communication at its highest level.

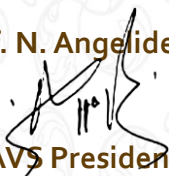

The Mediterranean League of Angiology and Vascular Surgery has a multidisciplinary character, providing a unique forum for discussion of all critical issues concerning the management and care of vascular patients.

Furthermore, MLAVS has a mission to foster progress and mutual understanding between all professional groups, dealing with vascular diseases in the Mediterranean region, and to promote research for a better understanding of vascular diseases.

It is true that the severe economic crisis of the latest years has affected the organization of MLAVS Congresses, in the sense that the participation decreases from year to year. However, I am sure that due to the major efforts of the Organizing Committee, as well as the beautiful environment of the City of Agia Napa, this Congress will attract a vast audience and will ensure an active participation.

On behalf of the Executive Board of the Mediterranean League of Angiology and Vascular Surgery and the Organizing committee I would like to invite you to Cyprus next October 2016 for a successful and productive meeting within the friendly MLAVS atmosphere.

Prof. N. Angelides

**MLAVS President
President of the Organizing Committee**

Committees

Honorary President:

Venue and Hotel Information

The Venue

Adams Beach Hotel is a world of luxury and pleasure and the ideal destination for those seeking a relaxing holiday with the provision of top facilities but also with lots to do if you so wish. Situated on the breathtaking Nissi Bay, (so named for the island which sits in the lagoon – ‘nissi’ is the Greek word for island), known for its fine white sandy beach and shallow, turquoise waters, the Adams Beach Hotel has a long-established tradition of providing top accommodation and service to holiday makers from around the world. Recently refurbished and extended, the Adams Beach Hotel has truly earned its 5-star category and prides itself on offering the highest standard of facilities for your relaxation and enjoyment set within a Mediterranean oasis of palm trees and lush gardens.

You can book your room from the MLAVS 2016 website www.mlavs2016.com

Contact us

The success of congress is based on ensuring high-quality services that cover all specialized and complex organizational needs. Operating according to the standards of the Professional Congress Organizers (PCO), we are able to organize corporate meetings for a few executives to medical and scientific conventions with thousands of participants, offering consistently high quality services at the most competitive market prices.

With complex organizational skills, the experienced and successful professionals that staff our company, guarantee to meet the demands of each scientific event. Knowledge, dependability, reliability and dynamism characterize each staff member of Medevents, assuring timely programming, details planning, excellent organization and coordination, and providing functional solutions that safeguard the smooth running of every congress.
