

HEALTH CONFERENCE 2026

Transforming Healthcare in Cyprus: New Trends, New Realities

26 February 2026
Landmark Hotel, Nicosia

The Cyprus Employers & Industrialists Federation (OEB), the most representative and genuinely independent Employers' Organization in Cyprus and the foremost representative body of the health sector, is organizing a Health Conference entitled "Transforming Healthcare in Cyprus: New Trends, New Realities"

The Conference is held in cooperation with the Cyprus Medical Association (CMA) and with the support of the Ministry of Health.

The event is dedicated to strategic dialogue and policy-oriented discussion on the future of healthcare in Cyprus and it will take place on 26 February 2026, from 15:00 to 19:00, at the Landmark Nicosia.

OEB plays a pivotal role in promoting health policies, actively engaging in discussions on reforms and creating a modern, sustainable and competitive healthcare ecosystem.

The Conference will convene policymakers, academics, professionals and healthcare providers, including Cypriot and international experts, to highlight the key challenges and opportunities influencing contemporary healthcare systems.

Core themes of the Conference are sustainability and resilience, healthcare economics, utilizing technology and innovation, the patient experience and the role of investments in improving the quality, accessibility, and efficiency of healthcare services.

The Conference program is structured around high-level thematic discussions and expert interventions, aiming to foster informed dialogue and contribute meaningfully to policy formulation and strategic planning in the healthcare sector.

The programme and the online registration form are available on the [Conference's website](#). The deadline for registrations is 21st February 2026.

Admission is free of charge and the working language of the Conference is English.
