

A central graphic featuring a human silhouette with a red target on the torso, surrounded by various medical icons in circular frames: a pancreas, a person with a heart, a stomach, a radiation symbol, a microscope, a group of people, a computer monitor, and a brain. The background is a dark blue space-like pattern with orange and red accents.

NEUROENDOCRINE TUMORS

MASTERCLASS

One Patient. Multidisciplinary Care. Better Decisions.

DATE
Saturday, 21 November 2026

SCIENTIFIC
PROGRAMME
NET MASTERCLASS 2026

VENUE
European University Cyprus
Nicosia, Cyprus

09:00 – 09:05 **Welcome Address**

Constantinos Tsioutis · Dean, School of Medicine, European University Cyprus

MORNING SESSION

09:05 – 09:15 **Introduction: Epidemiology, Clinical and Pathological Classification**
Christos Toumpanakis

09:15 – 11:00 **PART A**
Clinical Suspicion and Diagnostic Approach

CHAIRS Georgios Ioannidis, Constantinos Tsioutis

- | | | |
|----|--|----------------------|
| 01 | Symptoms and clinical signs suggestive of GEP-NENs | Marina Tsoli |
| 02 | Assessment and appropriate use of blood and urine biomarkers | Sofia Antoniou |
| 03 | Typical findings on conventional radiological imaging | Crina Chrysostomou |
| 04 | The essential role of molecular imaging in the diagnosis of GEP-NENs | Ioannis Karfis |
| 05 | The ideal pathology report for GEP-NENs: content and significance of tissue biomarkers | Andreas Mamilos |
| 06 | Summary of the diagnostic algorithm and discussion | Christos Toumpanakis |

11:00 – 11:30

COFFEE BREAK

11:30 – 12:30 **PART B**
The Role of the Gastroenterologist

CHAIRS Christos Toumpanakis, Panayiota Nicolaou

In collaboration with the Cyprus Society of Gastroenterology

- | | | |
|----|---|-----------------------|
| 01 | The role of endoscopy in the diagnosis of gastrointestinal NENs | Panayiota Nicolaou |
| 02 | The role of endoscopy in the treatment of gastrointestinal NENs | Dimitrios Giannakakis |
| 03 | The role of endoscopic ultrasound in the diagnosis and treatment of gastroenteropancreatic NENs | Pavlos Kaimakliotis |
| 04 | Short case presentations and discussion | Christos Toumpanakis |

12:30 – 13:15 **PART C**
Principles of Treatment and Symptom Control

CHAIRS Michalis Picosos, Sofia Antoniou

- | | | |
|------------|--|----------------------|
| 01 | Carcinoid syndrome and carcinoid heart disease | Christos Toumpanakis |
| 02 | Functional pancreatic tumors | Marina Tsoli |
| Discussion | | |

13:15 – 14:15

LUNCH

**AFTERNOON SESSION**

14:15 – 15:45

PART D**Surgical Management****CHAIRS** Konstantinos Toutouzas, Nikolaos Gouvas

- 01** Small intestinal neuroendocrine neoplasms and mesenteric involvement Reza Mirnezami
- 02** Pancreatic neuroendocrine neoplasms Konstantinos Toutouzas
- 03** Colorectal neuroendocrine neoplasms Reza Mirnezami
- 04** Surgical management of liver metastases Athanasios Petrou

Discussion

15:45 – 16:10

SATELLITE SYMPOSIUM**Peptide Receptor Radionuclide Therapy (PRRT)**

Shaunak Navalkisoor

16:10 – 16:30

COFFEE BREAK

16:30 – 18:00

PART E**Systemic and Novel Therapies****CHAIRS** Pantelis Kountourakis, Alexis Vrachimis

- 01** Chemotherapy Christiana Matthaïou
- 02** Molecular targeted therapies Christos Kortas
- 03** Immunotherapy Eleftherios Vorrias
- 04** Cabozantinib and its place in the treatment algorithm Asimina Koulouridi
- 05** Novel therapies with radiolabeled peptides Emmanouil Alevroudis

Discussion

18:00 – 18:15

BREAK

18:15 – 19:00

PART F**Live MDT** · Multidisciplinary Team Meeting**MODERATOR** Christos Toumpanakis

PANEL Demetris Papamichael · Crina Chrysostomou · Andreas Mamilos · Marina Tsoli
Ioannis Karfis · Shaunak Navalkisoor · Reza Mirnezami · Athanasios Petrou

Presentation of interesting cases and interactive discussion between the expert panel and the audience, using an electronic voting system.

19:00

CLOSE OF THE MASTERCLASS

◆

One Patient. Multidisciplinary Care. Better Decisions.

SPEAKERS & CHAIRS

Emmanouil Alevroudis

MD Consultant Nuclear Medicine Physician, Nuclear Medicine Department, German Oncology Center, Limassol, Cyprus

Sofia Antoniou

MD PhD German Board-certified Endocrinologist – Diabetologist, Department of Endocrinology, Diabetology and Metabolic Diseases, German Medical Institute, Limassol, Cyprus

Crina Chrysostomou

MD Consultant Radiologist, ESTI-certified, Diagnostic and Interventional Radiology Department, German Medical Institute, Limassol, Cyprus

Dimitrios Giannakakis

MD Consultant Gastroenterologist, Head of the Department of Gastroenterology, Ygia Polyclinic, Limassol, Cyprus

Nikolaos Gouvas

MD PhD Associate Professor of Surgery, General and Colorectal Surgeon, Medical School – University of Cyprus

Georgios Ioannidis

MD PhD Medical Oncologist, Director of Oncology Department, Nicosia General Hospital, State Health Services Organisation (SHSO), Cyprus

Pavlos Kaimakliotis

MD Interventional Gastroenterologist, American Gastroenterology Center, Nicosia, Cyprus

Ioannis Karfis

MD PhD Consultant Nuclear Medicine Physician, Nuclear Medicine Department – Institut Jules Bordet Instituut
Hôpital Universitaire de Bruxelles / Université libre de Bruxelles
Head of ULB NET Center (ENETS Center of Excellence)

Christos Kortas

MD MSc Consultant Medical Oncologist, Medical Oncology Department, German Oncology Center, Limassol, Cyprus

Asimina Koulouridi

MD PhD Consultant Medical Oncologist and Research Coordinator, Ygia Polyclinic, Limassol, Cyprus

Pantelis Kountourakis

MD PhD Consultant Medical Oncologist, Director of Medical Oncology Department, Mediterranean Hospital of Cyprus, Limassol, Cyprus

Andreas Mamilos

Professor of Pathology, European University Cyprus
Director of Pathology Department, German Medical Institute, Limassol, Cyprus
Scientific Director of German Oncology Center, Limassol, Cyprus
President of the Cyprus Society of Pathology

Christiana Matthaïou

MD MSc Consultant Medical Oncologist, Medical Oncology Department, Bank of Cyprus Oncology Centre, Nicosia, Cyprus

Reza Mirnezami

FRCS PhD Consultant Colorectal Surgeon, Clinical Service Lead – Colorectal/General/Emergency Surgery, Royal Free Hospital, London, UK

Shaunak Navalkisoor

MD Consultant Nuclear Medicine Physician, Royal Free Hospital, London, UK

Panayiota Nicolaou

MD Consultant Gastroenterologist and Hepatologist, Private Medical Practice, Cyprus

Demetris Papamichael

Medical Oncologist, Director of Medical Oncology Department, Bank of Cyprus Oncology Centre, Nicosia, Cyprus

Athanasios Petrou

MD MSc PhD Associate Professor of Surgery, European University Cyprus – School of Medicine
Consultant Surgeon, Director of the Hepato-Pancreatico-Biliary (HPB), Upper Gastrointestinal and Sarcoma Surgery Department, German Medical Institute, Limassol, Cyprus

Michalis Picos

MD Consultant Endocrinologist, Private Medical Practice, Cyprus
Clinical Associate Professor, Endocrinology, School of Medicine, Clinical Faculty, European University Cyprus

Christos Toumpanakis

Professor of Gastroenterology and Neuroendocrine Tumours
Division of Medicine – Institute for Liver and Digestive Health – University College London (UCL)
Centre for Gastroenterology – Neuroendocrine Tumour Unit – ENETS Center of Excellence
Royal Free Hospital, London, UK

Konstantinos G. Toutouzas

MD PhD Professor of Surgery, National and Kapodistrian University of Athens, Greece

Constantinos Tsioutis

MD PhD MBA FHEA Associate Professor of Internal Medicine
Dean, School of Medicine, European University Cyprus

Marina Tsoli

MD PhD Consultant Endocrinologist
ENETS Center of Excellence, 1st Department of Propaedeutic and Internal Medicine, Laiko University Hospital, Athens, Greece

Eleftherios Vorrias

MD Consultant Medical Oncologist, Medical Oncology Department, German Oncology Center, Limassol, Cyprus

Alexis Vrachimis

MD PhD Professor of Nuclear Medicine, European University Cyprus – School of Medicine
Director of Nuclear Medicine Department, German Oncology Center, Limassol, Cyprus

One Patient. Multidisciplinary Care. Better Decisions.
